# OUR PARTNERS

## **63 ACRES | BEEF**

Southern BC's climate is perfect for raising beef thanks to low humidity, lots of sunshine and plenty of locally grown grass and hay to feed on. Cattle from 63 Acres' carefully selected, family-owned farms in the southern interior are grass fed and grain finished for superior marbling, texture and taste. They focus strictly on quality, consistently delivering delicious cuts of beef raised ethically, naturally and locally.

## **CODFATHERS | SEAFOOD**

Both 100% sustainable and Ocean Wise, Codfathers has been a Kelowna staple for 25 years. Codfathers is committed to promoting and encouraging small artisanal fisheries and, wherever possible, provides the names of the boats/fishers, location and method of catch used.

## **YARROW MEADOW | DUCK**

For five generations, the Falk family has raised poultry in the small farming community of Yarrow, nestled between the Cascade Mountains and the Fraser River, in the Fraser Valley. Their flocks enjoy aquifer-fresh water, wood-chip bedding, and spacious cage-free barns with plenty of natural light. They believe that allowing their birds to thrive results in the very best quality.

## **RABBIT RIVER FARMS | EGGS**

Producing our free-run eggs, Rabbit River's family-owned farms are committed to socially responsible, sustainable and humane farming practices, with their chicken flocks living in a cage-free environment, and receiving top quality feed, clean water, fresh air and tender care. Based in Richmond, BC, they were the very first SPCA (Humane) certified farm in Canada.

## **D DUTCHMEN | DAIRY**

All milk and cream products are produced on location at D Dutchmen Dairy with milk sourced from a small, family-operated farm located in Sicamous, BC. This practice ensures a high quality, consistent supply.

## **TANTO LATTE | CHEESE**

Established in Salmon Arm in 1978, Tanto Latte Cheese is dedicated to producing top quality Italian cheese products for the BC market. Using 100% Canadian whole milk, founder Luigi Ornaghi uses decades of experience and traditional Italian recipes to create incredible mozzarella bocconcini, burrata and ricotta.

## **UNEARTHED FARMS | VEGETABLES**

## **KLIPPERS ORGANICS | VEGETABLES**

At the south end of the Similkameen Valley's fertile valley floor, Annamarie and Kevin Klippenstein farm 60 acres of vegetables, fruit and herbs. Kevin comes from a restaurant industry background, and Annamarie from a long-standing family line of organic farmers. Together, they grow an impressive variety of heirloom tomatoes, squash, herbs, apples and more, supplying restaurant kitchens with top quality organic produce all year round.

## **THOMAS TUMBACH AT LOCALMOTIVE | VEGETABLES**

## **MINETTE LOTZ AT LOTZ PROVISIONS | FARMERS, FERMENTS & FORAGEABLES**

Minette Lotz has been a key fixture in the Naramata Inn story from day one, as Chef de Cuisine of the Restaurant for the first two seasons. Minette's passion for foraging and sourcing wild ingredients and natural curiosity inspired her to seek out local, terroir driven plants, proteins, seeds, berries, shrubs, and blossoms. This focus and commitment ensures that our dishes are true to the exact time, place, and season they are being enjoyed in.
