

DINING

Eliza is a Naramata wine bar with aspirations of becoming an unmissable wine destination in the South Okanagan. Eliza promises wine delights and discoveries from Wine Director, Emily Walker, locally spirited cocktails and welcoming seasonal menus from Chef Ned Bell. Named after an important, but lesser known figure in Naramata's history, Eliza Robinson was a wife, mother and matriarch to the J.M. Robinson family that founded both the Village of Naramata as well as the original Naramata Inn in 1908.
