## **63 ACRES | BEEF**

Southern BC's climate is perfect for raising beef thanks to low humidity, lots of sunshine and plenty of locally grown grass and hay to feed on. Cattle from 63 Acres' carefully selected, family-owned farms in the southern interior are grass fed and grain finished for superior marbling, texture and taste. They focus strictly on quality, consistently delivering delicious cuts of beef raised ethically, naturally and locally.

## **CODFATHERS | SEAFOOD**

Both 100% sustainable and Ocean Wise, Codfathers has been a Kelowna staple for 25 years. Codfathers is committed to promoting and encouraging small artisanal fisheries and, wherever possible, provides the names of the boats/fishers, location and method of catch used.

## **RABBIT RIVER FARMS | EGGS**

Producing our free-run eggs, Rabbit River's family-owned farms are committed to socially responsible, sustainable and humane farming practices, with their chicken flocks living in a cage-free environment, and receiving top quality feed, clean water, fresh air and tender care. Based in Richmond, BC, they were the very first SPCA (Humane) certified farm in Canada.

## **D DUTCHMEN | DAIRY**

All milk and cream products are produced on location at D Dutchmen Dairy with milk sourced from a small, family-operated farm located in Sicamous, BC. This practice ensures a high quality, consistent supply.

## **POPLAR GROVE CHEESE | CHEESE**

This boutique cheesery has a mission to create delicious, handmade, small batch cheeses from their perch on the Naramata Bench. With premium ingredients from D Dutchmen Dairy and artisanal attention to detail, each cheese is handled several times through the process resulting in consistently high quality, French-style cheeses.

This focus and commitment ensures that our dishes are true to the exact time, place, and season they are being enjoyed in.
